Open Day/Hours: 7:30am to 3:15pm on 4/19, 4/22, 4/29, 5/6 and 5/13

Duke employees, students, contractors, and volunteers who are eligible for a COVID-19 booster vaccine under the CDC's guidelines can either schedule an appointment or come for a walk-in visit to the DMP 2w91 employee vaccination clinic.

**COVID-19 Booster Shot Eligibility Summary**

- Faculty, staff, and students who received their last dose of the Pfizer or Moderna vaccines over 5 months ago are eligible for their 1st booster.
  - Faculty, staff, and students who received their initial dose of the Johnson and Johnson vaccine at least 2 months ago and are 18 years of age or older can receive their 1st booster.
  - Faculty, staff, and students who received their last dose of a WHO approved vaccine over 5 months ago are eligible for their 1st booster.
- **OPTIONAL 2nd Booster Dose:** Faculty, staff, and students who received a booster dose of the Pfizer, Moderna, or J&J vaccines over 4 months ago and are 50 years of age or older can receive a 2nd booster dose. Those younger than 50 who are considered severely immunocompromised can receive a 2nd booster.

**Duke COVID-19 Vaccine Employment Requirements**

- Duke University, Duke University Health System, and the Private Diagnostic Clinics require all students and employees to provide proof of having received a COVID-19 primary series and a single booster shot. A booster must be received within 28 days of eligibility under the state and CDC guidelines. A 2nd booster shot is not required by any Duke entities at this time.
- To learn more about Duke’s requirements please proceed to the COVID Vaccine website.
